## LDYC COP 27 Demands Summary One Pager

The main demand is Loss and Damage Finance Now!

7

All Parties at COP27 must:

-  Commit to urgently establishing a loss and damage finance facility which provides new, additional, and accessible funding to address and limit irreversible and life-changing impacts on young people.
-  Ensure that Loss and Damage become a permanent agenda in all United Nations Framework Convention on Climate Change (UNFCCC) negotiations, at all Conference of Parties (COP), Subsidiary Bodies (SBs), and Conference of the Parties serving as the meeting of the Parties to the Paris Agreement (CMA).
-  Ensure that the Santiago Network on Loss and Damage (SNLD) is fully operationalized to serve the needs of developing countries.
-  Establish a Youth Advisory Committee on Loss and Damage to develop a fair, meaningful, inclusive youth approach to making decisions and acting on loss and damage.
-  Loss and Damage must be included and profoundly reflected upon in the discussions under the Global Stocktake (GST).
-  Prioritise collaboration work between stakeholders and
